

Code of Conduct for Parents and Carers at St Barnabas' Primary School

Please read this information

As well as following the guidance set out in our Home-School Agreement, we expect parents, carers and visitors to:

- Respect the caring ethos of our school
- Understand that both teachers and parents need to work together for the benefit of their children.
- Demonstrate that **all** members of the school community should be treated with respect and therefore set a good example in their own speech and behaviour.
- Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue.
- Correct own child's behaviour especially in public where it could otherwise lead to conflict, aggressive behaviour or unsafe behaviour.
- Approach the school to help resolve any issues of concern.
- Avoid using staff as threats to admonish children's behaviour.

In order to support a peaceful and safe school environment the school cannot tolerate parents, carers and visitors exhibiting the following:

- Disruptive behaviour which interferes or threatens to interfere with the operation of a classroom, an employee's office, office area or any other area of the school grounds including team matches.
- Using loud/or offensive language, swearing, cursing, using profane language or displaying temper.
- Threatening to do actual bodily harm to a member of school staff, Governor, visitor, fellow parent/carer or pupil regardless of whether or not the behaviour constitutes a criminal offence.
- Damaging or destroying school property.
- Abusive or threatening e-mails or text/voicemail/phone messages or other written communication
- Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parent/staff, at the school on Facebook or other social sites. (See Appendix 1). Any concerns you may have about the school must be made through the appropriate channels by speaking to the class teacher, the Head teacher or the Chair of Governors, so they can be dealt with fairly, appropriately and effectively for all concerned.
- The use of physical aggression towards another adult or child. This includes physical punishment against your own child on school premises. Approaching someone else's child in order to discuss or chastise them because of the actions of this child towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences).
- Smoking and consumption of alcohol or other drugs whilst on school property.
- Dogs being brought on to school premises.

Should any of the above behaviour occur on school premises the school may feel it is necessary to contact the appropriate authorities and if necessary, even ban the offending adult from entering the school grounds.

We trust that parents and carers will assist our school with the implementation of this policy and we thank you for your continuing support of the school.
